Dear Members:

The Nominating Committee is pleased to report that the following members have agreed to let their name stand for the BC Blind Sports and Recreation Association Board of Directors:

Because there is only one nominee for each position, the nominees will be acclaimed and ballots will not be circulated to the members for voting ahead of, or during, the AGM. The Nominating Committee thanks these members for putting their names forward.

The three candidates listed above, who have been acclaimed, will join the following individuals on the board who have an additional year in their term of office:

- Nancy Leung
- Lisa Binnie

Respectfully Submitted on behalf of the Nominating Committee
