Provincial Team Selection

Where BC Blind Sports is selecting teams:
Goalball, Bowls, Hockey (and other sports as appropriate)

The objective is to field teams:

- to develop experience for developing players,
- to win at national championships, and
- to have BC athletes selected to Jr and Sr national teams.

Program Coaches shall select athletes to teams, in consultation with the Program Manager, based on:

- the athlete's ability to play,
- the needs of the team and program,
- the athlete's development needs and match with the sport's LTAD model
- sight classification eligibility,
- ability to compete within the sport's rules

Athletes will be selected who in the coaches' opinion:

- are at the fitness and game play level for the competition
- have the appropriate knowledge of the rules of the game
- who have demonstrated the commitment to training and competition appropriate to their LTAD level for that competition
- are at the T2T level or above

The Program Manager will work with the coaching staff to ensure the program stays within budget and cash flow capabilities of the association.
